For whatever reason, she was not showing up in my list. I had attempted to enter a birthing outcome on her and she wasn't in the dropdown list, so I attempted to add her and now she is popping up as a client. Not sure what went wrong there, but will attempt to enter her other data in again.

Thanks! Megan

It looks like she was entered as a client on 2/20/17, so why are you attempting to enter her now?

Hi Emily,

Can you let me know where is also receiving ATA services? I knew she had been a dup client before but we had moved her over to NFN exclusively.

Thanks! Megan
